

COACHING AGREEMENT

Because everybody's time is valuable and important to them, this agreement is to clarify expectations and facilitate progress toward a mutually agreeable goal.

My life mission is to develop disciple making leaders who love God with all of their heart. I am willing to help you to reach this point together. If it is your desire to make a difference in this world for the Lord Jesus Christ, then I welcome our partnership together. My role is not that of a teacher, but of a facilitator. I am here to help encourage you in a discovery process of God's call upon your life.

Our Purpose

The purpose of this coaching relationship is to strengthen one another for life success and spiritual leadership. Proverbs 27:17 *"As iron sharpens iron, so one person sharpens another"* is our motto.

Clarifications

Coaching is a process whereby you are empowered to achieve your God-given potential in life. God gives you the gifts and the passion, you seek to grow as a person, and the Coach helps you in that process by helping you to formulate & stay on task for your action plans. Coaching is not counseling, nor is it consulting. It is a combination of encouragement, gentle guidance, and accountability to become the person of God that He created you to be.
