## **EXPECTATIONS**

God has called me to help people make forward progress in their spiritual lives through faith in Jesus Christ. The ministry I perform for your wedding is a part of that calling, for God created marriage and declared it to be a good thing. It is my prayer that your wedding and your marriage together will help you to grow in your faith and commitment to Jesus Christ.

I have two goals for your marriage, as the pastor who will be marrying you:

First, I want you to trust Jesus Christ and place Him at the center of your relationship. Without Jesus at the center, any marriage will have a very difficult time to make it; but with Jesus leading and guiding the husband and wife together, there is the hope and prospect of a joy-filled and happy life together as man and wife.

Second, I want your marriage to be healthy. To that end, I encourage all the preparation and enrichment opportunities possible in order to help you each to be the best husband and wife that God created you to be. Therefore, I recommend the following steps for you:

- ❖ “Growing Together” 6-wk. marriage preparation/enrichment class
- ❖ Reading and using the following books as a couple:
  - Before You Say, “I Do”, Norman Wright (Harvest House)
  - Communication: Key to Your Marriage, Norman Wright (Regal Books)
  - The Act of Marriage, Tim & Beverly LaHaye
- ❖ Joining a couple’s small group Bible study, so that you can get to know other Christian couples, and learn how to bring the spiritual element into your life as a couple.

## **FEES**

The fee for providing the wedding, and its related consultations is \$200. Any premarital or enrichment classes will have additional fees for materials & events attached to them.

## **MY PRAYER FOR YOU**

I wish you the very best for your wedding. I wish you all the happiness and joy that life can provide for you and your new family. May God bless you with His loving presence and joy and love in your hearts as you begin this new step of life together.

Should you need additional help or guidance in any area of your life in the future, I am always available to help and assist you.

Dr. Bill
